

2021-2022 Supplies List

NOTE: Parent Orientation will be conducted on campus in the auditorium at 7:00 p.m. on Thursday, September 2, 2021.

CLASSROOM FEES

All K-6th Grade Students – Art Fee (Due November 1st):

Each K – 6th student is assessed a fee of \$30 for classroom arts/crafts resources.

3rd-6th Science Fee (Due December 1st): The 3rd-6th grade class has a \$30 science fee to purchase materials for the student's participation in science projects that replace the Science Fair.

STUDENT SUPPLIES

All K-8th Grade Students: Students in K-8th grade may drink water in their classroom – and on warm days this is important. However, they may only have water in ***water bottles with the snap close top to prevent damage to textbooks and devices in case of spillage. Each student should bring a water bottle with their name written on it with permanent marker or label.*** Because FCS no longer has drinking fountains, but rather water stations to ensure sanitation, it is vital that students bring their water bottle each day – otherwise, students will be sent to the office to purchase a water bottle.

All K-8th Grade Students - Incentives Fee (Due October 1st):

Each K-8th Grade teacher maintains an incentives program – prizes rewarding achievement. Each student in these grades is assessed a \$30 fee to cover the costs of this program.

All K-6th Grade Students: All K-6th grade students will be required to purchase a field trip “t-shirt” before going on a field trip with their class. These shirts will help us keep track of all our precious children whenever the class takes a field trip. T-shirts will cost \$25.00 each. After purchasing the t-shirt, please write your student's name on the inside tag with a permanent marker. Students will not be permitted to go on a field trip without this t-shirt.

All 1st-8th Grade Students: Students in 1st-8th grade will need a Chromebook device. If you are purchasing a new device and would like a recommendation on which device to buy, click on our [Chromebook Recommendations](#) or contact the FCS office at office@fcs-online.org.

REMINDER: For your student's chromebook to have the protections and safeguards of the school's system, the device must be managed by the school. If you have purchased a device but did not submit it to the office for management, the safeguards do not apply to your student's computer. For more information, email office@fcs-online.org.

Kindergarten
